

Golfer Protocols

Public

We know you all have been waiting for an update on the status of our club & the new operational procedures that can be expected once we are permitted to open.

Our priority is the well being and safety of our Members, Guests and Employees during this virial outbreak. Until we are able to move past these unknown times, we can expect many conversations & changing procedures. We continue to monitor the evolving global, federal and provincial public health situation around COVID-19 and commit to follow the most up to date directions provided to us by the public health unit, provincial government and Golf Canada.

It will be imperative that ALL Golfers abide by Hawk Ridge Golf Club protocols, listed below. Failure to adhere will result in the individual(s) being immediately removed from the club.
